School ID: 29001

## Country Mart Funds for Education

It is time again for the Country Mart Education Program. We are excited to announce that Country Mart is offering us a way to earn money for our school. With this program they are donating \$24,000.00 for local schools to split. How much money we receive is based on participation from the teachers, parents, friends and family of the students at our school. If you do not have a Country Mart card, you may sign up for one at the store then fill in this form with your new number. By filling out the form below, the more you shop at Country Mart using your Country Mart card, the more you help our school!

Please return the completed form to the school and we will take care of the rest. Please print legibly to ensure processing.
